

Volunteer Confidentiality Agreement

The goal of Grace House Ministries is to provide a Christian home environment where girls can be loved , nurtured, and disciplined to become mature, independent, and confident godly women. In line with our purpose, it is our charge to protect the minors of this home by providing them with the utmost privacy. This belief must be reflected in the policies of Grace House Ministries as we attempt to protect the civil and human rights of each resident.

My signature below confirms that I will not violate the protected information regarding any Grace House resident by sharing that information with anyone outside of Grace House Ministries.

Additionally, my signature below signifies that I have completed a Volunteer Orientation and have received a Volunteer Manual.
